## WORK EXPERIENCE

---

### Hirely

Founder

**Boulder, Colorado**

March 2026 - Present

- Architected and deployed a full-stack MVP using Supabase, Stripe, and Vercel, utilizing Claude Code to accelerate development to solve the problem of qualified candidates not being seen by recruiters.
- Generated 2,000+ impressions and 100+ profile visits in 14 days by automating LinkedIn, Instagram, and TikTok distribution via AI agents.
- Presented product vision and technical architecture to potential investors, users, and peers translating AI concepts into daily use cases.

### Phi Kappa Psi

Director of Event Management

**Seattle, Washington**

September 2022 – June 2023

- Secured \$6,000 in corporate sponsorships and negotiated with government officials to scale event capacity to 1,000+ attendees.

### Up&Up Festival

President

**Boulder, Colorado**

December 2023 - January 2026

- Sold out a 500-person venue by managing cross-functional teams of marketing, sales, and social media totaling 16 people conducting 10 sales events and targeted social media outreach to over 5,000 followers.
- Established partnerships with student organizations to host events attended by 250+ participants.

## PROJECTS

---

### CoPilot – Class Project/Pitch Competition

Director of Growth and Finance

**Boulder, Colorado**

January – May 2026

- Pitched a company that was an indirect competitor to Uber, solving the problem of leaving a car in a city overnight, to an audience of 50 peers and 5 community members, tying for first place out of 12 teams.
- Drove product strategy by validating market demand, and iterated product-market fit.
- Pivoted product direction after interviewing 100+ consumers, identifying a more profitable target segment.
- Projected 5-year profitability by modeling competitor data.

## EDUCATION

---

### University of Colorado – Boulder

Bachelor of Arts in Political Science and Economics, Minor in Business

Cumulative GPA: 3.75

**Boulder, Colorado**

August 2023 – May 2026

### University of Washington
